THIYAGAM - SERVICE TO CHALLENGED WOMEN

Thiyagam Women Trust is registered under the Charitable Trust Act, and mainly focusing on the rural women with disabilities and empowers them to earn their livelihood and face the challenges of life in an optimistic way with enthusiasm and will power. To meet the demands, Thiyagam provides friendly ambience to the challenged women to join together and uplift themselves.

THIYAGAM WOMEN CENTRE

We have commissioned in April 05 a Tailoring Centre to give training to disabled women. At present 12 women have secured the earning capacity after training which gave them additional confidence. These rural women are now very happy to involve themselves in regular job work and see their own earnings every month.

THIYAGAM NARPANPU KALVI MAIYAM

We have started Thiyagam Narpanbu Kalvi Maiyam, evening tuition centres during Sept. 2005 in 5 villages near Madurai where we get space, good teacher and community support. In all the five centres, around 150 students are getting the benefit of education in values absolutely free.

Thiyagam Narpanbu Kalvi Maiyam(Value Education Centre) is giving equal emphasis to Values along with academics. These centres provide suitable environment to imbibe Value themes by children. These will help children to improve their life skills and act in a responsible way in all situations. When these children grow up, they would not compromise on the ideals set forth before them and become emotionally matured and socially responsible citizens. Thiyagam appreciates with deep gratitude all the noble hearts who have extended their support for the cause of PCW and solicit their continued co-operation.

We make a living by what we get; we make a life by what we give.
